Ceremony

Dear Mrs Lyons:

Many thanks from Mr
Haring and me for the copy of Judge
Allen's tribute to Susan B Anthony
made last Sunday at the University
auditorium at the Heights. It is
as beautiful to read as to hear--
perhaps because I still see and hear
Judge Allen as I read.

When next I go to a

large library I shall add to the script
the quotation of Olive Schreiner's
with which she closed.

Again our thanks, which some day
perhaps I may have the opportunity of
offering in person.

Sincerely yours,

Ethel Chapman Darling
(Mrs Alexander Darling)
